

Annual Landen Scholarship Tournament

You are invited to bid on the Bill and Millie Landen Youth Open Scholarship Tournament. The tournament is typically held on a weekend during the month of either November or January. The tournament is a Youth singles tournament that consists of bowlers bowling up to 8 games on Saturday and up to 4 games plus a stepladder on Sunday. There are 5 divisions based on entry average; the lowest division bowlers three 3-game blocks while upper four divisions bowl three 4-game blocks. The divisions are then cut to the top five and a stepladder follows. The Youth are awarded scholarship money in the top five positions in addition to high block per block and a high female finisher (not cashing). Youth bowlers earn SMART scholarship money and the opportunity to qualify for Junior Gold.

This tournament is a unique learning opportunity for our Youth in the state. Our Florida State Youth Leaders run the tournament by themselves, and it has been this way since 1990. If you are interested in bidding on the tournament, please complete the attached paperwork.

If you have any questions, please contact:
